Ved. Ramanuja Charlu urges his claim for the following honours:

(1) Kulambara Vastra,
(2) Exemption from payment of Rakkasuchha in respect of his Archaka Seras
(3) Ashtapatha post &
(4) Grant of Jodi-Aruna.

It appears on careful consideration of the documents produced by the applicant and the other ~~Inamdars~~ Inamdars &c, the local officers and the Inspl Com-r recommend that the first three honours claimed might be recognized and as regards the 4th namely grant of Jodi Aruna, though the local officers recommend the grant of this concession also, the

SIR,

With reference to correspondence ending with your letter No.H.553/27 dated 5th June 1951 reporting on the petition of Vedamurti Tiruvoimoli Ramanujachar, I have the honor to state as follows:-

2. As regards Kuduma Thirtha, it is seen from the records that this identical question seems to have come up for consideration in 1908 when the then Deputy Commissioner made a reference to Government in the Muzrai Department soliciting definite instructions in the matter (vide Rukkari dated 7-6-1907, what orders were passed on this reference is not known from the records now sent. The orders now passed by you seem to have been based upon the endorsement dated 15-7-1865 (1864?) and the oral testimony of Archaks now in Dhatt. It cannot be made out to whom and on what occasion the endorsement in question was issued and it is necessary that you should satisfy yourself about the genuineness and relevancy of this old endorsement. Further enquiry seems therefore to be necessary and I request that the records connected with the enquiry of 1908 may be sent for reference and considered.

3. As regards exemption from payment of extra Vecha, no old case appears to have been made out for exempting the petitioner from payment of Rokka Vecha for sevas done by the members of the petitioner's family during Dhanurmasa and on Sri Ramanujachar's Tirunakshatra day. The manual referred to by the petitioner does not seem to contain any such right and its genuineness has not also been enquired into. I request that an investigation may now be made. Even as it is, it directs that Thirtha, Tirumudi, Prasadam, Nyaya vinyoga, Tadula, Gandha, Seshe, Yatradana, Dose, Majjana, Ayaswayapoti and other mariyadas should be

shown as usual to Satagopachar and his heirs. There is thus no reference made to the sevarthas got done at the cost of the Sannadar or his heirs. The exemption is claimed on the analogy that Rokka - vecha is not taken from some of the temple servants when specified sevas are done on their behalf. The petitioner does not hold any appointment in the temple and he cannot therefore claim any ---- exemption on that ground. The sevartha fees have been revised only very recently and exempting individuals from paying the prescribed fee will lead to embarrassing precedants and loss of income to the temple. The question may be kindly examined in the light of the above observations and a further report sent early.

4. As regards the post of Adhyapaka, it may be reported -- whether there are any vacancies to which there are no claimants and whether it may be conferred on the petitioner in view of the impending revision of the temple establishment.

5. The enclosures are returned.

Report on the petition of Vedavalli Tiruvoimuli Ramanujacha

With reference to your Memo No.360/37-38 dated 7/8th January 1938 calling for a report on the petition of Vedavalli Tiruvoimuli Ramanujachar complaining that his case, relating to Sthalacharya Purushas and certain honours due to him in the Melkote temple, is pending disposal from a long time, I have the honour to state that the petitioner was given an opportunity to represent his case before the Sub Division Officer, French Rocks. From the records of enquiry it is seen that the petitioner's representations are as follows:-

(a) The petitioner belongs to the family of Sthalacharya Purushas who are entitled to the distribution of "Kutumbe Thirtha" in Melkote temple and as such all the male members of his family who are present on any occassion in the temple are entitled to and should be given the Thirtha. From the copy of the endorsement dated 18th February 1865 (enclosed in the file) issued by the temple office to petitioner's father it is seen that his family is entitled to receive Kutumbe Thirtha. The Peishkar reports that this honour is being shown to the petitioner's family sometimes and denied at other times owing to the ignorance or otherwise of the temple servants of the time. The Archaka and an experienced temple servant says that the petitioner's family is shown the honour whenever they happened to be present in the temple as the number members of the family of other Sthalacharya Purushas residing at Melkote are being shown the privilege. I have asked the Sub Divisional Officer, French Rocks, to issue immediate instructions to the Peishkar that the Kutumbe Thirtha honours should be shown without fail to the petitioner and the members of his family, if they are present at the time.

(b) The next prayer of the petitioner is that he may be exempted from payment of Sambhavethana for Varadaraja Parivatte on occasions of services done by the members of his family during Dhanurmasa and Sri Ramanujacharya's Tirunakshatra days. From the copy of the Sanad dated 30th October 1830 granted to the petitioner's grandfather by the late Sri Krishnaraja Wodeyar Bahadur, it is seen that the petitioner's family is entitled, among other honours to Varada pradhana Parivatte

but the usual Pokkavecha of Rs.2-6-3 (revised rate Rs.3/

recovered fro the petitioner during his seva and "Aralappadu"

The Sub Division Officer reports that "Aralappadu" is being done so e of t e temple servants when specified sevas are being done by them, I think the petitioner is also entitled to it without the payment of the Pokkavecha. The S b Division Officer also recommends t at no Pokkavecha need be recovered for Aralappadu on two occasions when sevas are erforme y the petitioner and his descendents.

Under the ci cu stances reported b the Sub Division Officer, I have approved of his proposals.

(c) The petitioner has prayed for the p st of one Adhyapaka in the te le. It is seen fro the records t at prior to the revision of the scal of the temple during 1900, the petitioner's family held a post of Adhyakam Adhyapaka. When and why their name was omitted from the hereditary cannot be ascertained now. The Sub Division Officer reports that considering the learn and attainments of the petitioner, he recommends that a post be given to h but there are no permanent vacancies at present, and as soon as a permanen vacancy occurs, the representation of the petitioner will be favourably consider d. The Sub Divis on Officer has been instructed to give an acting post of Adhyapaka to the petitioner for the present till a permanent -- vacanc occurs.

(d) The last representation of the petitioner is that the family s een removed from the list of recipients of (ಶಿಷ್ಟಾಚಾರ) long ago. Sub Divis on Officer reports that the system itself has ceased to exis that the petitioner is not also inclined to press the matter any furth

F i n a n c i a l *Department*

SIR,

With reference to correspondence ending with your letter No.817/ dated 5-12-31 in the matter of certain honours claimed by Ved: Tiruvaimoli Ramanujachar in the Sri Narayanaswami temple at Melkote, I have the honor to forward herewith copy of letter No.H.553/27 dated 30-11-31 from the Deputy Commissioner, Mysore District, and to state as follows.-

2) Ved: Ramanujachar belongs to one of the families of the Sthala Acharya Purushas in the Sri Narayanaswami temple at Melkote. His complaint is that some of the maryadas which are due to him and his family as Acharya Purusha are not being shown in the temple. The honours claimed by the petitioner, and recommended by the Sub Division Officer after an enquiry by the former officer are the following:-

(i) Kutumba irtha.

(ii) Exemption from payment of Pookavecha in respect of his Nehimi Sevas.

(iii) Adhyapaka Post.

(iv) Grant of padi-anna.

The Deputy Commissioner states that he has issued orders in all these matters.

3) I have considered the matter fully and agree with the Deputy Commissioner that honours i, ii and iii may be allowed. Although no reference has been made to the Kutumba Thirtha in the Sanads produced by the petitioner this family has been in enjoyment of it from a long time, the earliest available document showing the exercise of the privilege being the endorsement dated 15th February 1864. When the matter

the honours due to the petitioner came up before Government before there was no complaint about Kutumba Thirtha as will be clear from No.1903/Muz.181-07 dated 29th January 1910.

As regards (ii) it is reported that payment of Pokkavecha is now insisted upon on the ground that the exemption is not mentioned in the Sanna granting the honour. There is evidence too to show that a Pokkavecha of R 2/- was being recovered from the petitioner's father even so far back as 1898. But a question arises as to whether the Aralappadu should not be done free when it is conferred as a mark of honour in the Sannad to a particular family. It seems to me that if fee is levied there would be r honour attached because like any other person the petitioner would be doin it as Sevartha and paying the fixed Pokkavecha also.

As regards (iii) the Deputy Commissioner has given the petitioner a place of Adhvapaka as he is deserving of it by his learning and character and this may be approved.

As regards (iv), however, I cannot agree with the Deputy Commissioner the records show that the privilege has not been enjoyed from 1869. The Sannad on which the petitioner bases his claim shows that the honour was conferred on Sadagopalachar, father of the petitioner personally and not i the family. The question has also been finally disposed of in Government Order dated 29th January 1910. this being item 2 of the said order. The claim for Vadiarra has therefore to be rejected.

In a subsequent petition dated 5th December 1931 presented to this office the petitioner has asked for certain honours on the occasion for th annual Adyayanotsava. This question has not been investigated by the Depu Commissioner and will therefore be reserved for separate consideration.

The entire file of vernacular papers is sent for reference.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Letter No.H.553/27 dated 30-11-31 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Report on the petition of Vedamurti Tiruvoimoli Ramanujachar regarding his Sthalacharya Purushike haraward and other honours in Melkote templ

---

With reference to your letter No 860 of 27-28 dated 8/10th October 19? requesting further information on t petition of Vedamurthi Tiruvoimoli Ramanujachar regarding his Sthalacharya Purushike haraward and other honours in Melkote temple, I have the honor t forward herewith the previous records ending with G.O. No.1903/Muz.F.181-07 ated 29th January 1910. It is seen therefrom that as the petitioner Ramanujachar did not furnish the original Sannads and ther written evidence in support of his claim to the satisfaction of Government his prayer was not considered. But as he furnished all the necessary records during the enquiry held by the Sub Division Officer French Rocks, his claims were recommend by the Sub Division Officer, French Rocks, and accordingly proposals were sent with this office letter No.H.553/27 dated 5th June 1931.

The endorsement dated 15th Februar1864 (not 1865) has been issued to the petitioner's father Tirumarana Iyenk by the temple office stating that arrangements have been made to give theerual honours in connection with the funeral of his mother. It is seen therom that Kutumba Thirtha and 'Kashaya Vasthra' on the death of any member the family are given to those only who hold a special acharya purushi haraward unlike other acharya purushas of the temple. This family has been enjoying this right even prior to the time of His Highness the late Krishnaraja Wodeyar Bahadur III. The petitioner has an authenticated copy endorsement stated above.

The petitioner has got the originappy of Sannad entitling him to hold the special Acharya Purushike haraw and other honours in the temple. He says that his grandfather Chadagopachar held the Sthalacharya Purushike haraward No.6 in the temple as per Sannad anted to the family, and that his father and after him the petitioner been urging the authorities for the restoration of the haraward. In view of the special honour of Aralappadi in the temple conferred on the Tiruvoimoli family and of the high attainments of the petitioner the exemption from pa of fees on the nehimi sevas conducted by the petitioner had been recommended in my previous letter as proposed by the Sub Division Officer.

As regards the post of Adhvaduka haraward the Peshkar report there is a vacancy at present and it has been given to the petitioner. Care will be taken to do away with superfluous posts while framing proj for revising the scale of expenditure of the temple.

The petitioner is entitled to get 4 padies of cooked rice and one daily in the temple as per sanad. The temple authorities will be in structed to give effect to the terms of the sannad.

The entire records are transmitted herewith for reference and kir return.
